Jeremy Mark Tubongbanua

100849092

Dear Jeremy Mark,

It is my pleasure to recognize and congratulate you on your exceptional academic achievements in the fall 2021 term. As you achieved a GPA of 3.8 or higher with at least 80 per cent of a full course load, you will receive the President's Honours List designation on your transcript, which is a permanent record of your achievement, for the applicable term. Congratulations!

Your dedication, commitment, and hard work are evident and inspirational to your peers, the greater university community, and myself. You should be very proud of meeting this high standard of academic performance.

Although this prestigious designation holds no monetary value, you may still be eligible as a current student for an award, bursary and/or scholarship. Learn more on the [Student Awards and Financial Aid website](#).

On behalf of myself and the university, congratulations on your accomplishments thus far and we wish you all the best!

Sincerely,

Dr. Steven Murphy

President and Vice-Chancellor

Ontario Tech University
